TRINITY WHARF BRIDE & GROOM, 2020

north pier deck.

The North Pier Deck is a private outdoor space ideal for an intimate wedding ceremony. The panoramic blues of the stunning Tauranga harbour and the tropical greens of the palms and Pohutakawa trees provide an epic backdrop that's sure to give your ceremony the wow factor.

The North Pier Deck can accommodate up to 80 guests (36 seated) and is a blank canvas just waiting for your personal touch.

Two plush guest rooms are accessible from the North Pier Deck making it the perfect spot for bridal party preparations.

restaurant.

The restaurant is located in Trinity Wharf's north facing third pier, and juts out over the water's edge. Panoramic views of the Tauranga harbour and Papamoa Hills beyond are framed by floor to ceiling glass that bring the tranquil elements of the outside world in.

Sliding doors open out on to a wraparound deck, the perfect place for your guests to relax and take in the fresh sea air. The sky turns an array of pastels as the sun sets, then the twinkling lights of the harbour bridge and city take over.

The restaurant is our premium wedding space and comfortably accommodates 60 guests seated for dinner or 100 cocktail style.

pool house.

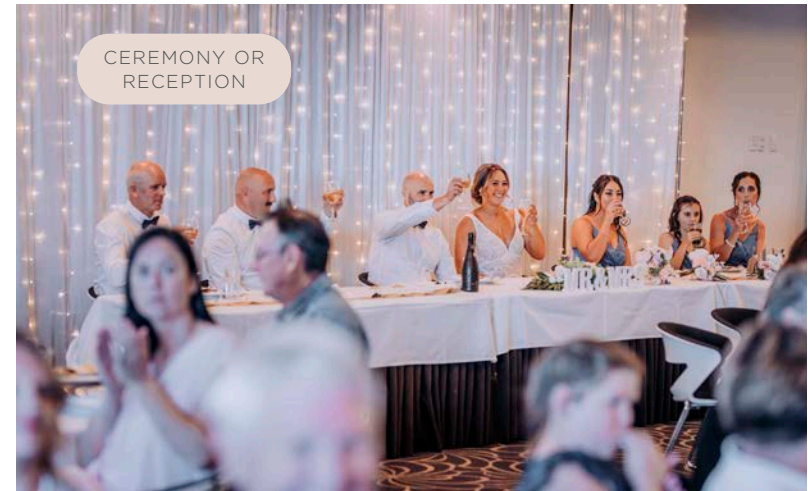

The Pool House is made up of two adjoining rooms that open out on to the hotel's infinity edge swimming pool and patio area. The Pool House is also perfect for indoor ceremonies and ideal as a wet weather option. The Pool House would suit a small scale wedding reception of up to 60 guests maximum.

The swimming pool's patio area can be styled to create an extended entertaining space for socialising and taking in the fresh sea air*. The Pool House has private access to three of our Urban Balcony Premium guest rooms, ideal for bridal party accommodation and preparations.

**Please note the pool area is accessible by all hotel guests.*

trinity rooms.

The Trinity Rooms are the largest function spaces at Trinity Wharf and can accommodate 200 guests seated for dinner (with a dance floor) or 350 cocktail style.

Made up of three adjoining rooms, the Trinity Rooms are flooded with natural light and open out onto a private courtyard with views of the Tauranga harbour, Pohutakawa trees and the hotel's private pontoon, which is a stunning location for bridal party photos. Guests have direct access to the restaurant's wraparound deck for socialising and photo opportunities. The Trinity Rooms also feature a private pre-function area perfect for pre-dinner cocktails, lounge space and photobooths/group photos.

eat and drink.

Trinity Wharf's seasonal menus reflect the Bay of Plenty's abundant supply of superb ingredients, alongside some of New Zealand's highest quality produce. Pair bespoke menus with our selection of local and international wine labels for a true gastronomic experience.
